

WELCOME TO AsiaBSDCon 2023!

The AsiaBSDCon 2023 is the 15th conference on BSD systems in Asian countries. This conference is for anyone developing, deploying and using systems based on BSD-derived systems, such as FreeBSD, NetBSD, OpenBSD, DragonFly BSD, Darwin, and MacOS X. AsiaBSDCon is a technical conference which aims to collect the best technical papers and presentations available to ensure that the latest developments in our open source community are shared with the widest possible audience.
